BORN
TO SERVE
SPRING **2026**

WWW.FLARETACTICAL.COM

Flare Tactical was created to provide our end-users with the most advanced and innovating uniforms, apparel and gear with the use of the latest technologies in functional fabrics and components.

I have been in this industry for over a decade, working side by side with military and law enforcement divisions worldwide, listening and understanding their needs to be ready to face the most critical situations 24 hours a day.

After four years of engineering and field testing each and every one of our products, we believe we have accomplished what we've been aiming for. That's why we proudly stand behind our brand, knowing we will provide you with maximum safety and comfort with products that will serve you and have your back each day, every day.

Please visit FlareTactical.com to learn more about us.
